UNITED STATES INDIAN SERVICE

Seneca School & Quapaw Agency,
Wandotite, Okla., Aug 27, 1910.

Subject:
Transmitting annual
census.

Commissioner of Indian Affairs,
Washington, D. C.

Sir:

I have the honor to transmit under separate cover the annual census of the different tribes of Indians under the jurisdiction of this Agency.

I am also including the census of the Modoc Indians who are now enrolled at the Klamath Agency, Oregon.

The delay in making this census is the result of not having any direct means of knowing the deaths and births,

I have no police force or Additional farmers to keep this data up for me, and as these Indians do not receive any annuities it is difficult to get a correct report of the births and deaths.

It has taken considerable time to make the necessary research with the force of help I am allowed and therefore I have made this census as nearly correct as I could with the means I had at my command.

Very respectfully,
W. A. Quay Superintendent.
